

Managing Wild Deer

Aldo Leopold defined Game Management as
“The art of making land produce sustained
annual crops of wild game for recreational
use”

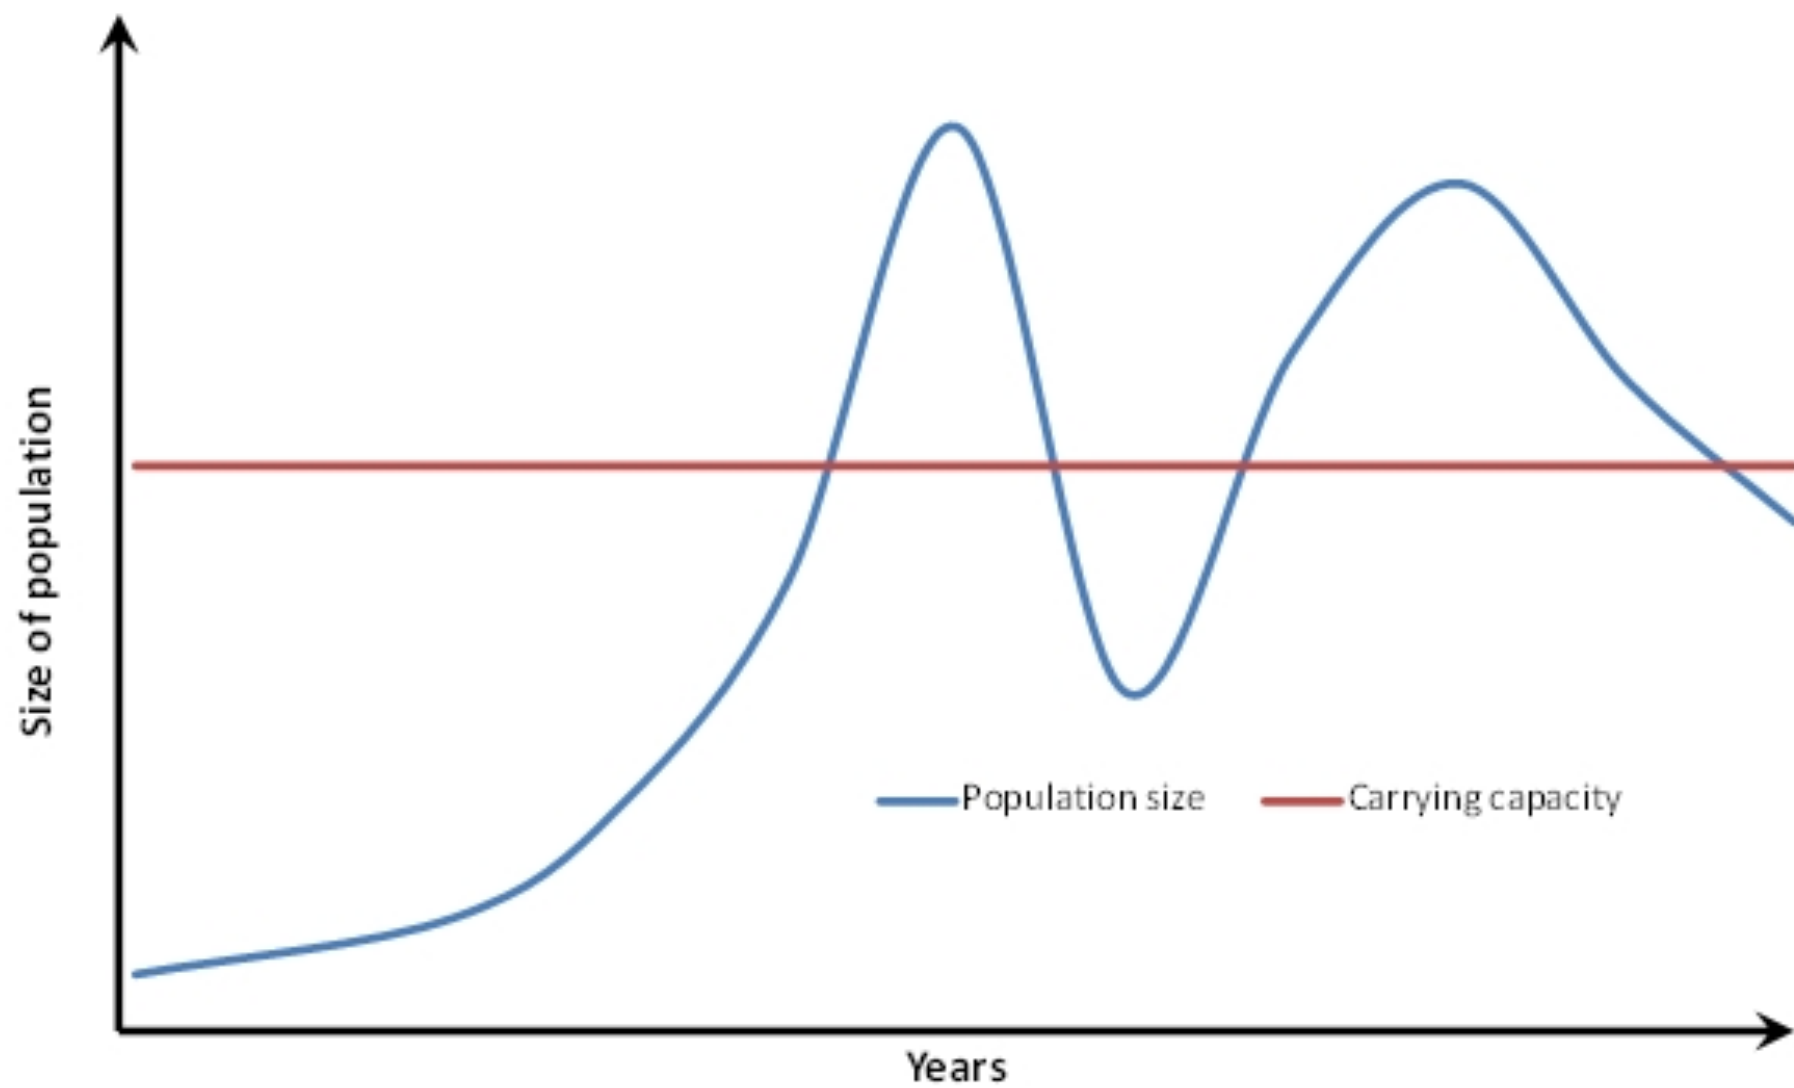

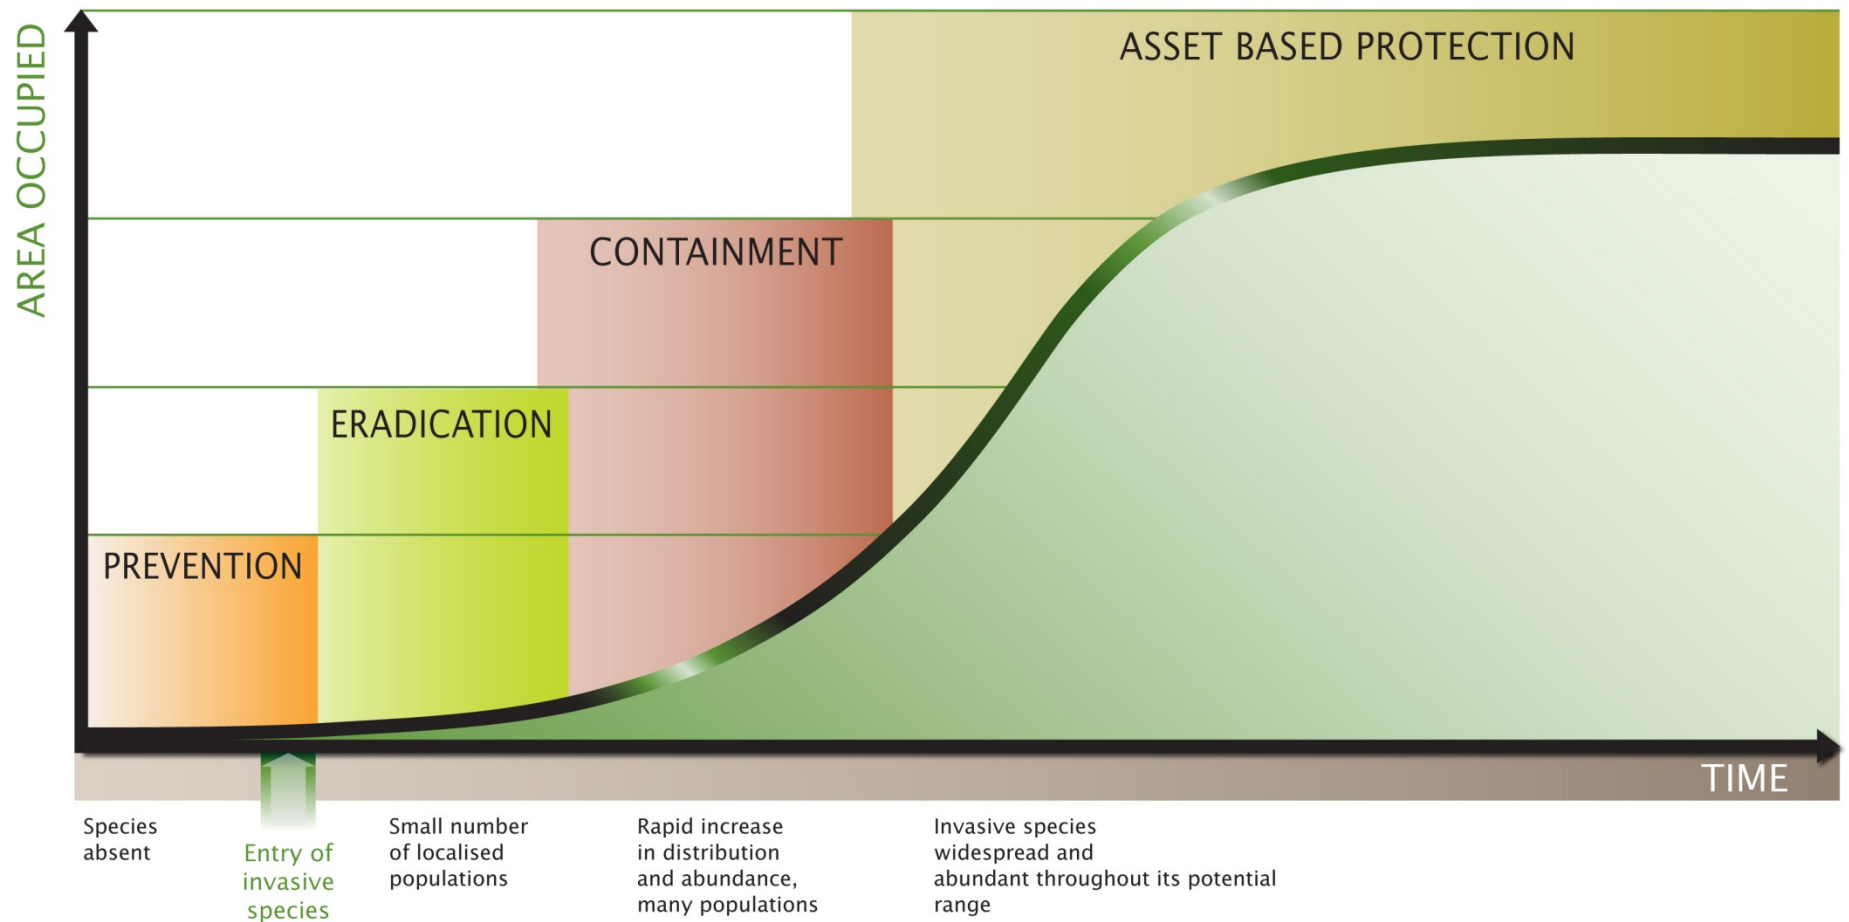

GENERALISED INVASION CURVE SHOWING ACTIONS APPROPRIATE TO EACH STAGE

Population Density Change

Source: Coffee, N., Lange, J., & Baker, E. (2016). Visualising 30 Years of Population Density Change in Australia's Major Capital Cities. *Australian Geographer*. doi:10.1080/00049182.2016.1220901

More than any other Australian city, Melbourne has led a 30-year turnaround in inner-city density (red indicates increases and blue decreases in density as persons per square kilometre). Author provided
